The Stourbridge girls are flying from a charity point of view at the moment, courtesy of one of our newer members and now Charities Officer Mand.

She single handedly arranged a charity night at a local pub to include BBQ, disco, karaoke, raffle, auction and play your cards right!

The evening, combined with a separate raffle for a signed Wolves Football Shirt raised over £550 for our charity Dreamflight!!

Our karaoke diva for the evening was 'Mand's Daughter' who is loving all the circle activities can't wait till she is 18 to join up!
