Friday 24th March, was a great night for international friendship in Halifax!

Joining Area 3 was our very own LCI President Tracey Wilkinson and her international board friends, Kathleen Flynn (VP), Kirsten Pressel (Treasurer), Sylvia Mwansa (IPP), and Kristel Viilver (Secretary).

Tracey has been enjoying lots of international fun and here are a few snippets of her LCI Day Report - [click here](#) to read what Tracey has been up to!

Here goes the jottings of an International traveller....

"As my reputation goes before me, and as I travelled alone, I managed to arrive in the correct Country and after a 'mad dash', due to delays, with 10 minutes to spare - I caught my connection, and luckily my baggage arrived also....."

"This called for a couple of Vodka Shots to numb the coldness...."

"To conclude the day we made our way to the Hotel Latvia to the 26th floor where we enjoyed cocktails in the skyline bar until late, taking in the panoramic views of the city of Latvia."

"After a welcome drink of hot wine....."

"My real challenge was how to get down a slope in my pink wellies."
