Tours – Full Day

Delights of Grampian

We head off to Fyvie Castle with its 800 years of history. Famous for the 'Green Lady' this castle has been visited by Royal Guests. Leaving Fyvie we head for Turriff with its selection of small town shops where you can browse at your leisure. After lunch we will visit Haddo House, a building of Georgian Architecture with late Victorian Features.

Spirit of Speyside

Approaching Castle Fraser the granite walls rising up to the distinctive turrets make an imposing view. Venture through the castle to the round tower and enjoy panoramic views. We will then travel on the 'Spirit of Speyside' train from Keith to Dufftown, where we will visit Glenfiddich Distillery for a true taste of Scotland. (Dram and tour included).

Royal Deeside

If you enjoy the outdoors this is the tour for you. Explore and walk around Loch Kinord and Muir of Dinnet. At the edge of the Cairngorms National Park the area is steeped in local history and natural heritage. All walks are on paths and tracks, sturdy walking shoes/boots are recommended.

A Taste of Moray

Visit the oldest working distillery in the Highlands for a guided tour and 'dram'. Then onto Baxters, famous for their Soup, Jam and beetroot - discover a shopping experience with a real difference. Finish your day with a spiritual visit to Pluscarden Abbey, one of Scotland's few remaining Monasteries built in the 13th Century.

Tours – Half Day

Traditional Aberdeen

Explore Old Aberdeen, where the city has retained its sense of history and tradition, see Kings College with its domed crowned tower. Stand here and you will feel as if you have stepped back in time. Afterwards, in contrast you have the chance to shop till you drop!

Back in Time

Dunottar Castle is a spectacular ruined cliff top fortress with breathtaking views, home to the Earl of Marishal of Scotland. The Crown Jewels of Scotland were hidden at this site during the dark days of Cromwell's occupation. Back to the centre of Aberdeen to browse at your leisure.

PRE TOURS

A Highland Adventure – will you see 'Nessie'?

Head to Inverness stopping on the way at Brodie Country Fare for a blend of Quality and Traditional Scottish shopping. An afternoon at leisure to include a visit to the Pringle Woollen Mill. Overnight stay in Inverness.

After breakfast enjoy the scenery on a Cruise along the Caledonian Canal and on to Loch Ness. Nessie sightings go back as far as St. Columba in 565AD so who knows, you might go home with a monster tale to tell. The most imposing site on Loch Ness is Urquhart Castle, which was a fortress in the Bronze Age.

A stop at 'Made in Scotland' before heading home is a must for the very best in Scottish Gifts, Crafts, Jewellery and more.

Price and further details on Application.

The Sights of Scotland's Capital

A three hour trip will be broken by a visit to Brechin Castle Centre where you will find a superb shopping experience and restaurant. Arriving in Edinburgh, the afternoon is at your leisure to explore the many highlights Edinburgh has.

Be well rested as the next morning we will do the City Tour and Castle. Edinburgh Castle is Scotland's top visitor attraction and stands high upon an extinct volcano. Listen for the one o'clock gun fired daily from Mills Mount Battery.

The Palace of Holyrood house will be the next visit – Official Residence of Her Majesty the Queen and once home to Mary Queen of Scots.

Price and further details on application.

Aberdeen 2008 Chairman's Welcome

Judith Scott - Conference Chairman

If you have never ventured to Scotland or
haven't been for some time, you can be sure
that there are many new things to captivate
and inspire you and when you leave you
will yearn to return.

The committee are working hard to bring
you a Conference that will combine the best
that both Scotland and Ladies Circle have

to offer. Scotland has a reputation for its
excellent hospitality and we are fully
intending to live up to that reputation. From
the first words at the Opening Ceremony
until the final notes of music at the glittering
Gala dinner we will strive to produce for you
the best conference ever.

Aberdeen offers the ideal base for our
conference; large enough to offer city
facilities but small enough for the personal
touches.

Come along and enjoy with us the best of
Scottish food, the best of Scottish drink, the
best of Scottish entertainment and, of
course, the best of International friendship.
We can't promise you glorious weather but
we can promise you the warmest welcome
(and perhaps a glimpse of a man in a kilt to
get you *hot* under the collar!).

I look forward to seeing you all in Aberdeen
28th -31st August 2008
